

5. Range Safety Rules & Student Acknowledgment

- Student Initials _____ Treat every firearm as though it is loaded.
- Student Initials _____ Keep the muzzle pointed in a safe direction at all times.
- Student Initials _____ Keep your finger straight and outside the trigger guard until sights are on target and the decision to fire has been made.
- Student Initials _____ Know the target, its surroundings, and the backstop.
- Student Initials _____ Eye and hearing protection must remain in place as directed.
- Student Initials _____ Firearms may be handled only on command and only in designated areas.
- Student Initials _____ Immediately obey "CEASE FIRE," "STOP," or any instructor/range command.
- Student Initials _____ Do not attempt to catch a dropped firearm. Step away and notify the instructor.
- Student Initials _____ For a malfunction, keep the muzzle safely oriented, finger off trigger, and follow instructor direction.
- Student Initials _____ No alcohol, illegal drugs, impairment, horseplay, threats, intimidation, or unauthorized recording.
- Student Initials _____ Do not leave the firing line with a firearm until cleared by an instructor.
- Student Initials _____ Report any injury, equipment damage, unsafe condition, or possible rule violation immediately.

Violation may result in immediate removal without certification. Instructor safety decisions are final for the training session.
