

6. Liability Waiver, Assumption of Risk & Release

I voluntarily choose to participate in firearms-related classroom, dry-practice, range, and live-fire activities conducted or coordinated by Devin Jordan Security Training Academy LLC ("DJSTA"). I understand these activities involve inherent and serious risks, including firearm discharge, ricochet, projectile fragments, hot brass, noise, lead and other environmental exposure, falls, equipment failure, actions of other participants, bodily injury, permanent disability, property damage, and death.

I represent that I will follow all commands, disclose safety concerns, use only authorized equipment, and stop participating whenever I cannot safely continue. I knowingly and voluntarily assume all risks, whether known or unknown, that are inherent in or reasonably related to participation, except to the extent a release is prohibited by law.

To the fullest extent permitted by law, I release and hold harmless DJSTA, its owners, officers, employees, instructors, contractors, volunteers, host facilities, range operators, property owners, and their respective agents from claims arising from ordinary negligence connected with my participation. This release does not waive rights that cannot legally be waived and does not release gross negligence, reckless conduct, or intentional misconduct where prohibited by law.

I accept financial responsibility for damage caused by my intentional, reckless, or negligent failure to follow rules or instructions. I authorize reasonable emergency first aid and emergency medical response when I am unable to consent, understanding that I remain responsible for resulting costs.

I have had the opportunity to read this agreement, ask questions, decline participation, and consult counsel. I understand this document affects legal rights. If any provision is unenforceable, the remaining provisions remain effective to the extent allowed by law. New Jersey law governs unless controlling law requires otherwise.
